

Join us for our  
General Clinton PTA meeting:

# Family Night of Global Service

**Thursday**  
November 21, 2013  
**6:45-8:30pm**

1 tile per parent/child team: \$15  
2 tiles per parent/child team: \$25  
3 tiles per parent/child team: \$40

Help build a tile wall for a school in Haiti. Parent/child teams can create a small work of art that will be transformed into a tile wall in Haiti. Our theme for the night is *"who i am and who i want to be"*. All participants will be guided by our Artware organizer, **Diana Polack**, to create beautiful works of art. Ms. Polack will then transform your art into tiles for the wall in Haiti. Art experience not required! Together we can make a difference.

**100 tiles = 100 differences!**
