

IT'S TIME TO START LOOKING FORWARD TO THE BIGGEST FUNDRAISER (AND FUN-RAISER) ON THE CLINTON SCHOOL CALENDAR:

THE SILENT AUCTION & TRICKY TRAY COMING THIS FEBRUARY!

Here's what we need from our parent body to make the event an even bigger success than it has been years past:

- 1. Mark your calendars for Friday, Feb. 6th,** and plan to buy your tickets! We've secured a swanky new location this year, and are planning an evening that is not to be missed.
 - **Commit to donating at least one item** to the event! When we all take ownership of the success of our school, our kids win!
- 2. Think about what YOU can bring to the table!**
 - **Do you have access to a special hook-up** through work or family that could be auctioned off at our event & bring in big donations for our amazing school?
 - **Think out of the box: do you have access to sports/event/theater tickets,** do you make jewelry, have access to a vacation spot that could be auctioned for a week, bake amazing cakes, offer a service that everyone needs? These types of items/services can be a big help in raising funds that directly benefit our kids!
- 3. Volunteer to help the committee solicit donations** from our local business communities!

Contact either **Eileen Campos** at flyleen@hotmail.com or **Kelly Turner** at kellyturner@verizon.net for more information about how you can get involved!
