## Farmigo at Clinton Elementary is Back!

### Pick up your Farmigo orders on Wednesdays, 2:15-3:15 pm

Farmigo is an online farmer's market, where you can shop for fresh, delicious food — vegetables, fruit, meat, seafood, eggs, dairy, breads, and more. Farmigo connects communities like ours to local farms, coordinating with a network of small farmers and artisans to bring us all sorts of tasty, healthy things straight from the farm to our kitchens!

### Farmigo and Clinton Elementary School Partnership

Every time we purchase fresh, local food from Farmigo, we're not just supporting local farmers - **10% of the money from our purchases will also go towards raising funds for the school.** In just a few short months, we have already raised **\$902** through Farmigo.
