

Clinton Student Theatre Presents

The Clinton PTA is proud to present our 8th annual all-school revue. Our theme is **California to Clinton: The Great American Road Trip!** Every year, the Clinton community comes together and puts on a spectacular show. Students have the opportunity to act, sing and dance, as well as build & paint sets, assist with makeup, run lights and so much more! Parent volunteers direct the scenes, design the sets, create the program and guide every aspect of the production.

This year's performances will be **Friday, March 4 at 7pm and Saturday, March 5, 2016 at 11AM & 3PM.** Everything you need to know about the show is on this page. If your child would like to participate as a performer or backstage helper, use the registration form on the back or register online at: <http://bit.ly/1LOndy6>

Performer Information

Important Dates

- Every cast rehearses **once a week** starting **January 4th**. Rehearsals will be held after school (2:35-3:45) Monday-Friday or Saturday mid-day.
- Please note that our rehearsal period is shorter than usual. **With only 8 weeks of rehearsals, we'll need every student to commit to attending every rehearsal, barring illness.**
- **Tech Week: Monday, February 29-Thursday, March 3.** In addition to the weekly rehearsals. Tech Week is very important because it's when we add set, lights, sound, make-up & costumes to the show. Every cast member should keep **2/29-3/3** free until approximately 6pm. A more specific schedule will be distributed once the groups are established and a running order is set.

Groups

All students except Kindergarteners are placed into multi-age groups based on their rehearsal day requests. Kindergarteners have a choice. They can request the All-Kindergarten group that rehearses on Thursdays OR they can be in a multi-age group any day. ***Please note: We will do our best to accommodate All-Kindergarten group requests, but if the group becomes too big, we may have to place some students in multi-age groups.**

Opportunities

There are many ways for students to help with the production without performing. We need students to help with: Set Construction & Painting and to be Front-of-House Greeters, Ushers, Runners, Make-up Assistants and Stage Crew. Please note: Since painting happens in February, performers can also help paint.

Important Dates

- **Set Construction & Painting** will take place in February.
- **Front-of-House Greeters & Ushers** will be needed for the performances.
- **Runners & Make-up Assistants** will be needed Tech Week, **February 29-March 3**, and for all performances.
- **Stage Crew** will be needed for a tech rehearsal **Saturday, February 27th**, Tech Week, **February 29-March 3**, and all performances.

Does your child want to be a Performer or Backstage Helper?

_____ Performer!

Your child will rehearse one day a week. Please give us your top THREE rehearsal days, numbering them 1,2,3 in order of preference. If your first choice is the All-Kindergarten group, please still give us your 2nd & 3rd choices. If the All-Kindergarten group gets too large, we may have to place your child in a Multi-Age group. **All group assignments are final.**
