

CLASS PARENT and GRADE GARDEN COORDINATOR SIGN UP

Dear Clinton Parents and Guardians,

Hello! With the 2016-2017 school year about to begin, it's time to get involved! One simple way to get involved is to become a Class Parent. Being a Class Parent is a year-long commitment, but it does not take much time week-to-week. Class Parents support the teachers in many ways. Some of the primary responsibilities of the Class Parents include:

- Create a Class Directory
- Communicate with the class as requested by the teacher(s)
- Keep the class apprised of PTA events and important school information (as directed by the Principal and PTA Leadership) in a timely manner
- Coordinate volunteers for activities and trips
- Organize teacher gifts for holidays, teacher appreciation week and end-of-year
- Support the PTA in fundraising efforts as requested by PTA Leadership
-

If you are interested, please fill out the form below and return it to your child's teacher (you can send it in your child's backpack in an envelope marked PTA Class Parents) no later than **FRIDAY, SEPTEMBER 9**.

There are a limited number of Class Parents allowed per class, so if more people sign up than are necessary, we will draw names from a hat. You will be notified either way by Wednesday, September 14.

Class Parents are required to attend one mandatory information meeting. You can either choose Tuesday, September 20 at 8:10am, or Wednesday, September 21 at 7:30pm. If you are unable to attend either, you will have one week to make alternate arrangements, or your spot may be given to someone else. Thank you for your understanding!

Grade Garden Coordinator: This year, we're looking for one parent per grade to help coordinate the garden boxes for your grade. If you are interested, sign up here and you will be contacted with more information. Please fill out a separate form for each classroom in which you wish to volunteer.

Yes! I would like to be a Class Parent.

By signing up I understand that I must attend a mandatory meeting in September (dates above).
