

The Parenting Center & the Elementary PTAs invite you to...

A Q&A about the ABC'S of Kindergarten

Saturday, January 28, 2017
10:00am–11:00am

Seth Boyden Elementary School
274 Boyden Avenue ~ Maplewood, NJ 07040

We know that preschool parents have lots of questions about what to expect in kindergarten.

This gathering is an hour-long. We begin with a brief overview followed by Q&A session. You will have the opportunity to meet a few of the elementary school principals and assistant principals as well as a number of PTA presidents.

They will be happy to answer any questions that you may have about kindergarten, elementary school, and the South Orange Maplewood School District.

If you can't attend, don't worry—there will be many opportunities this spring and next fall to tour your child's new school, meet the educational staff, and have your questions answered.
