

Help our school earn cash every time you shop for groceries. Clip Box Tops from hundreds of your favorite products because each Box Top is worth **10 cents** – all of which will go to our school!

What can you do to help?

1. Buy the products you normally do
2. Cut out the Box Tops from the packaging
3. Collect them in a plastic bag marked with your teacher's name and send them in with your student
4. Your PTA will sort, organize and count each label and turn your trash into cash for Clinton Elementary School!
